

6047 South Hill Road P.O. Box 165 Middlesex, N.Y. 14507

Dear Members:

Once again we are into a new year. Hopefully, spring is just around the corner. The first item of news to report on is the Christmas Party. One of the surprises for the evening was a drawing for a three day guided Antelope hunt in Wyoming arranged by one of our members Mr. Schilbe. It was won by Lane Brown. The drawing was open to all members' kids between 12-18 and accompanied by an adult, needed to be present to win. The Guide fees and lodging were donated by the guide; License fees and transportation to and from are the hunter's responsibility. Lane also won the Youth Conservationist of the Year award. He was one happy boy. The Guide has offered another hunt for Fall 2012 and that will be given away at the Christmas Party. Mr. Schilbe and the guide will be at our breakfast on July 24.

Elections were held at our January meeting and all of the positions remain the same except we have a new Trustee, Jodi Trojan, a welcome addition to our Board. She is also the first trustee on our Board. Welcome aboard Jodi.

Attached to the newsletter is a list of events for this year. Please keep it for reference. Also remember to check out our website at [www.middlesexconservationclub.com](http://www.middlesexconservationclub.com). If Club members have any pictures or newsworthy items, please send them to Middlesex Conservation Club, PO Box 165, Middlesex NY, 14507.

The first breakfast will be our Plant Sale. Plants donations will be gladly accepted.

To those of you that have contributed to our Garage Sale, we want to thank you for your generosity. We will have another one this year and anyone with donations can contact Paul Schweigert at 585-393-8771.

We now have a web mailbox for the Club. Should you want to contact the Club you can do so at this address: [middlesexconservationclub@yahoo.com](mailto:middlesexconservationclub@yahoo.com). Thank you Barbara Ross for setting it up for us.

Sincerely,

Sharon Lee Pagel

President
